FREE ONLINE FEMA ELEVATION CERTIFICATE TRAINING

THURSDAY, AUGUST 27, 2020

FROM 10 AM TO 12 PM MOUNTAIN DAYLIGHT TIME

FEMA's Region 8 will be holding a session on Thursday, August 27, 2020 from 10 am to Noon mountain time for agents, engineers, surveyors and local officials on the usage requirements for Letter of Map Amendments, insurance rating purposes, floodplain ordinance compliance and the Community Rating System (CRS). The session will be geared for all participants to gain knowledge on why it's used, how it's used and how to complete it properly. It will discuss proper flood openings and include a building diagram review as well There will be time for questions and answers so bring your unusual cases to discuss with the other participants so they can learn from your past policy rating challenges or more challenging elevation certificate requests from building owners.

Wyoming Board of Registration for PE and LS has given approval for the Class per Gary Grigsby, Executive Director , Wyoming Engineering Society.
